

Energy Audit Rebate 2024/25 Pre-approval

Form Preview

Introduction

* indicates a required field

Wellington Shire Council is committed to achieving positive environmental outcomes through sustainable practices, which achieves value for money while minimising impact to the environment. Many of our Community Facilities may have an impact on our environment. By planning ahead, we can minimize our impact by adopting Sustainable practices.

An energy audit can clarify your facilities' energy consumption and identify areas for potential savings. It can lead to reduced energy use, improved productivity, and opportunities to innovate.

Please read the [Guidelines and Criteria](#) prior to completing the below pre-approval - it will save you valuable volunteer time! If you have any questions, please call the Grant Officer 1300 366 244

Applicant Details
